There is a dramatic difference between reading Japanese that is tailored to students, and reading real Japanese that has been written for native speakers. The concocted variety tends to be insipid, flat, stiff, standardized, completely lacking in exciting and imaginative use of language. Read Real Japanese Essays, and its companion volume Read Real Japanese Fiction, allows readers to experience the work of several of today's foremost writers as if they were lifelong Japanese speakers. The pieces in Read Real Japanese Essays are informed by the personalities of the writers: Haruki Murakami, Banana Yoshimoto, Mitsuyo Kakuta, Junko Sakai, Yoko Ogawa, Kou Machida, Keiichiro Hirano and Hideo Levy. By turns humorous, serious, beautiful and biting, they have been selected on the basis of their appeal. All are stimulating works that will motivate readers to want more. Just like real Japanese books, the text in this collection runs from top bottom and from right to left. For those needing backup, the essays have been supplemented with facing-page translations of the phrases used therein, often with notes on nuance, usage, grammar or culture. In the back of the book, moreover, is a built-in Japanese-English learners dictionary and a notes section covering issues of nuance, usage, grammar and culture that come up in each essay. Best of all, the book comes with a free audio CD containing narrations of the essays, performed by a professional voice actress. This will help users to become familiar with the sounds and rhythms of Japanese, as well as the speed at which the language is normally spoken.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped

and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
