

## Read Write Inc. Phonics: Green Set 1 B/w Storybooks: School Pack of 100 Books

The Read Write Inc. Phonics storybooks provide structured practice in decoding words and reading through phonics. Each set of books is carefully graded so that children can read them with confidence, as soon as they have learned the sounds linked to the set. Black and white versions of all the storybooks are available for children to use for their own work and take home. Read Write Inc Phonics is a proven synthetic phonics programme that ensures early success in reading, writing and spelling. It includes Speed Sound Cards, Word Cards, Ditty Photocopy Masters, Ditty Books, Storybooks, Non-fiction, Interactive Stories and Writing books. It is supported by teacher resources and a full training package to ensure its easy implementation.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
