

Reading Response Forms Gr. 1-2

Let your young readers share their thoughts about the literacy that they have heard or read themselves. Our valuable and easy-to-use resource provides a wide variety of skill-based worksheets and purposeful hands-on activities that are all based on the six levels of Blooms Taxonomy. Use to supplement your present reading program or as independent student work. Our worksheet activities will help to engage and build the full range of thinking skills essential for reading comprehension and focus on many other skills including: knowledge, comprehension, application, analysis, synthesis and evaluation. Also included is a teacher implementation guide, student assessment rubrics, word puzzles, color graphic organizers and a comprehension quiz. All of our content meets the Common Core State Standards and are written to Blooms Taxonomy.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
