

Sally Dog Little Undercover Agent

The irrepressible Sally Dog Little is back.

The Littles are as formal as ever. Sally Dog rises each day, knowing exactly how to please each member of the family. But when Twinkle shares her When I grow up dreams with Sally Dog, that sets Sally Dog to thinking. Sally decides shed like to be an undercover agent, and so begins her new career. She spends breakfast incognito, spying on the silly secrets behind the Littles formal morning rituals. Her next assignment takes her to the backyard, where she discovers secrets galore! Like the dog catcher who secretly stalks a dog thats stalking a cat stalking a robin stalking a worm slithering among the petunias -- Mama Littles prize petunias! With an arf and a woof, Agent Sally springs into action and prevents flowerbed bedlam.

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
