

## A Study Guide to Grace for Living

I thank God for the Spirit of Grace and supplication. I rejoice in His glory and grace. I have a little strength but the grace of God strengthens me. Tried to stop writing but grace and mercy said no. In spite of many obstacles, grace started this book and grace completed it. Jesus is all we need. He is coming soon. Do not delay. Receive His grace today. I am nothing without Him. The grace of our Lord Jesus Christ, the indescribable love of God and the unending, powerful, comforting fellowship of the Holy Spirit be with us all. Amen. I thank God for a song in the night Is 30:29

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
