

Chasing God: Finding Faith from the Outside Looking In

Chasing God is an unusual faith journey book: its not about changing from a troubled past or suggestions of being perfect. Tracy was a child who sought faith on her own in front of a TV looking at televangelists, then herself (without parents) tried church camp, church shopping and lots of faltering along the way. Questions at the end of each chapter are good thought-provokers.

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
