

Greek Today Text & Workbook Set

Greek Today presents an up-to-date communicative approach for students of Modern Greek. Aimed at the introductory to intermediate levels, it is a completely revised and expanded edition of the popular Demotic Greek I. Presenting material that relates to a wide range of cultural interests, the textbook offers twelve lessons with a total of sixty grammar points, all conveyed through dialogues that present the realities experienced by young people and adults in contemporary Greece. Lessons are supplemented by songs, poems, realia, images, and cultural texts. A large number of cartoons by Greece's eminent artist Kostas Mitropoulos provide a running commentary on modern Greek culture and its relation to Europe and the ancient Greek past. Employing a vocabulary of more than 2,000 words and introducing students to the most current Greek idioms, Greek Today also includes etymological notes on the evolution of the Greek language and the Greek roots of many English words.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
