

Richardson-De Priest: Family (Classic Reprint)

Excerpt from Richardson-De Priest: Family As a preface to this geneological chart of the Richardson-De Priest family, I have compiled the following information from letters in my possession written by Mrs. Mary E. Duke, who was born in 1812, and lived twelve years with her grandmother, Martha (De Priest) Richardson. Mrs. Dukes impression is, that John Richardsons father was Joseph; that he came from England in 1730, and married Sarah Morris, of Hanover, Va., in 1736. John was born in 1737. There were at least three other children. The name of one was Robert, a Colonel in the Revolution. She thinks there was some connection between this family and the Richardsons of Phila., one of whom married Col. Clement Biddle. From another, source I have the statement that John Richardson had a number of brothers who went to southern Virginia, North Carolina, Tennessee, and perhaps further, but I have not yet been able to trace them. Robin De Priest came to Virginia from France in 1732; married a Miss Snead of Hanover, 1740, and settled at Westonville, Hanover. Issue: i. Bettie De Priest - b., 1741; m.- Johnson in 1759, whose daughter married John Rutherford, of Goochland. ii. Martha De Priest - b., 1743; married John Richardson, 1760. ii., Mary De Priest - b., 1745; married - Hudson, of Louisa. Discouraged by the loss of twenty-two negroes, at one time, from fever, they moved to the then far West. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
