

Ritual murder and witchcraft in Southern Africa in relation to Unity Dows The Screaming of the Innocent

Seminar paper from the year 2007 in the subject English Language and Literature Studies - Culture and Applied Geography, grade: 1,7, University of Duisburg-Essen, course: South African Women Writers, 33 entries in the bibliography, language: English, abstract: In 2002, Unity Dows book *The Screaming of the Innocent* was published. It deals with the topic of ritual murder in Botswana and gives detailed descriptions of the South African belief in witchcraft, traditional healing and ritual murder. Since the book is not based on a true story it is interesting to find out whether the themes Dow writes about are fictitious as well or if they can be related to Botswanas every-day life. In an interview Unity Dow claims that ritual murder actually still happens in Southern Africa. This essay will have a closer look on some relevant passages of the book *The Screaming of the Innocent* and will relate them to the religion, the witchcraft belief, the belief in witchdoctors and the topic of ritual murder in Botswana. A comparison will show whether there are parallels between the fictitious story of the book and the real life in this specific area of Southern Africa.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
