

Philips Compact Atlas Britain 2010 (Road Atlases)

The 287 pages of main road maps in Philips Compact Atlas Britain 2010 are at the large scale of 3.3 miles to 1 inch (Scottish Islands at 6.7 miles to 1 inch), and include speed-camera locations. The maps clearly mark service areas, roundabouts and multi-level junctions, and in rural areas distinguish between roads above and below 4 metres wide - a boon for drivers of wide vehicles. For leisure users, scenic routes are highlighted, and the maps show upland and highland areas as well as National and Forest Parks, and Areas of Outstanding Natural Beauty. Long-distance footpaths, viewpoints, beaches, golf courses, campsites and caravan sites are clearly shown.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
