

Ronaldo: The Reindeer Flying Academy

Ronaldo is the top flying cadet at the prestigious Reindeer Flying Academy. He dreams of getting his flying license, just like his hero, Vixen. In this first exciting chapter in the Ronaldo series, our hero is faced with his toughest flying test ever The Endurance Challenge! Can Ronaldo triumph over mean bully, Dasher, and win the Golden Wings medal? Spurred on by Rudi, his quirky, loyal best friend and with a belly full of his favourite carrot pancakes, Ronaldo takes on the challenge of his life!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
