

Sumner County, Tennessee First Land Grants, 1786-1833

Sumner County was created in 1786 out of Davidson County. The first major influx of settlers arrived in 1779. It was only the 2nd county created by the State of N.C. in the Cumberland Country. From Sumner Countys original boundary lines were created in whole or in part the counties of: Cannon, Clay, DeKalb, Jackson, Macon, Pickett, Putnam, Robertson, Rutherford, Smith, Trousdale, and Wilson. These northern counties were subject to the Walker Line, which was the disputed State line between KY. & TN.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
