Rotten Apple Books: Unexpected. Unforgettable. Undead. Get bitten! If Megan thought life at her new boarding school was going to be easy, she was dead wrong. All the students have the same mysterious virus--one that slowly turning them all into zombies. The teachers at Zombie Academy are lifeless and the food stinks. Literally. And worst of all, the clique of popular mean girls who rule the school have already decided that Megan is dead to them. All Megan wants is to get back to her old school and her old friends. But until a cure is found, she'll have to figure out how to survive middle school.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
