

The New Author: A beginners self-help guide to novel writing, publishing as an independent ebook author and promoting your brand using social networks

What is the basic toolkit for writing a novel? The New Author by Ruby Barnes puts you on the right track with fundamentals of plot, pace & structure, planning, characters, settings, dialog and editing. How does a new author establish an author platform? Read straightforward instructions of how to create your online social media presence including blog, website, twitter, author central and Goodreads. Discover what works, what doesn't and uncover the way to produce evergreen content that you can use again and again. Semi-automate your author platform to reach millions of readers in different time zones around the globe. What is the easiest, lowest cost way to self-publish your writing and join the e-revolution as an independent author? Don't spend thousands with self-publishing platforms when you can do the same publishing thing easily yourself with little or no cost. It's easy. Publish your novel or non-fiction on Amazon and other web stores in a few simple steps and make your book go global. The New Author is a 200 page book in three sections: writing basics, developing a social media platform and e-publishing as an independent author. Take your manuscript from ready to go with this informative and easy to read guide. With foreword by Jim Williams, author of ten internationally published novels including the Booker Prize nominated Scherzo.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
