

Rush County War Activities, 1861 to 1918: At Home and in the Field (Classic Reprint)

Excerpt from Rush County War Activities, 1861 to 1918: At Home and in the Field

The above is a good likeness of Mrs. Ann Boyd Bowles, known to her legion of friends as Aunt Ann Bowles, ninety-seven years young, and the oldest member of the Bush County Chapter of the Red Cross. She is a daughter of the late Captain John Boyd, one of the pioneers of the county, who died at the unusual age of one hundred and one. Mrs. Bowles was born in Schenectady, N. Y., February 11, 1821. She came from New York to Indiana with her family when she was five years old, traveling all the way in a prairie schooner. They settled on the land where Bushville is situated. Later Captain Boyd moved with his family to Milroy, where he died, and where Mrs. Bowles still lives. She is in good health, and bids fair to round out a century of useful life.

Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality.

Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
