

Rusty n Nikki: Doggie Lessons in Life and Love

The story starts with the birth of Rusty, the runt of his litter, forced by his mother to leave home when she is afraid their master is going to hurt Rusty because he doesn't look like his purebred siblings. Traveling with a wise cat for a companion, Rusty makes his way out of the country and is eventually picked up by members of a shelter. At the shelter he meets his new best friend Nikki, an older dog with a warm heart. The two dogs become inseparable. A young woman named Jenny eventually adopts them, and the three live happily until Jenny's ex-boyfriend forces the dogs to come to her rescue. This is a great story of the love, friendship, and loyalty pets bring into our lives.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
