

RUSSIAN - ENGLISH DUAL-LANGUAGE BOOK of TWO RUSSIAN CLASSICS: CHEKHOV and GONCHAROV: Enjoy Reading Russian Classical Literature with Page-for-Page English Translation (Russian Edition)

It is a short, convenient to read compilation of the text extracts of the two of the Russian greatest classical writers of the second half of the 19th century: Anton Pavlovich Chekhov and Ivan Alexandrovich Goncharov. In this (the 1st) volume there is Chekhov's short story Stout and Thin with the authors (Zoia Sproesser's) translation into English, and also, an extract - the very beginning - of Goncharov's masterpiece, the novel Oblomov, with the translation made in the 1950-ties in England by a professional literary translator. The book is a dual language book. When a reader opens the two pages, they will see on the left page side Russian original text, and on the right page side its English translation. The author, a bilingual educator, who lives and works in California, USA, a native Russian speaker, when formatting the book, was trying to match the Russian to their English matching paragraphs, as best as she could. Also, the pages of Russian and English are kept strictly in match so the translation text would never overrun to the next page where a new paragraph/page starts. The book is an excellent tool for those who studies RUSSIAN, and for ENGLISH readers who are interested in having a closer look at the Russian original of the two uniquely talented and profound classical writers. The book is supplied by authors comments and some Russian language/culture explanations.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
