

RUSSIAN - ENGLISH Dual-Language Book with TRANSLITERATION: based on THE WORLD MASTERPIECE CLASSICAL FARSI-TADJIK SHORT-VERSE POETRY by OMAR KHAYYAM (Russian Edition)

The Dual-Language Russian-English Book with Transliteration based on Omar Khayyams four-line Rubaiyat Stanzas opens the window into the worlds wisdom that is 1000 years old. On a page of the book you will find the Khayyams four-line stanza in Russian translation (from Farsi), transliteration of Russian in Latin alphabet for those who can use help reading Cyrillic, and Zoias translation into English with a summarizing thought in the title. The book is supplemented by the grammar section on Russian Verb, verbal Russian forms not existing in English or Spanish (French) grammar, and groups of derivatives based on some vocabulary of stanzas. The stanzas present a brilliant translation from Farsi into Russian by different translators. The language and thought of Omar Khayyam are reflecting his beautiful personality that will make an invigorating effect of a fresh breeze on your mind. The book is an original combination of Middle Eastern Wisdom and Russian language perfect rhyming. It is a fascinating study tool for all interested in world classics, as well as for professors or students of Russian language. The sound track of Zoias voice reading the stanzas is easily accessible. Zoia Eliseyeva has lived in California for 19 years. She has a Masters Degree in Education. She teaches ESL, Russian, and Spanish. Her first publications appeared 17 years ago. The other last names of Zoia by marriages in the USA are Burkhart and Sproesser. The books might have been published first under those names.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
