

## Santas Christmas Countdown

This Christmas countdown opens up to a spectacular three-dimensional cutaway of a house, complete with Santas sleigh on the roof. Families can hang it on the wall on December 1st, and children can open a flap, pull a tab, or slide a lever to count the days until Christmas. On December 24th, theres a special surprise, when children can drop Santa down the chimney to see him arrive at the bottom inside the house, ready to deliver presents!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
