

## Sea Dog (Orca Echoes)

When Kyle finds a young dog almost drowned in a heap of seaweed on the beach, he claims the dog as his own and is happy for the first time in a while. He knows that his dog loves him, but whenever they walk on the beach, the dog swims out to sea and doesn't come back until Kyle calls and calls. Then one day, they run into an old man and it turns out that the dog may not belong to Kyle alone.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
