

## See Me Run (I Like to Read®)

Happiness is a day in the park for this pack of joyful canines. They run, chase one another, jump in mud, go for a swim, and dig, dig, dig! Their doggy day becomes even more wonderful when they discover a mother lode of bones! But when the bones magically arrange themselves as a T. rex, the dogs find themselves running once again, this time away from the giant skeleton!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
