

## Serbian: An Essential Grammar (Routledge Essential Grammars)

Serbian: An Essential Grammar is an up-to-date and practical reference guide to the most important aspects of Serbian as used by contemporary native speakers of the language. Refreshingly jargon free, it presents an accessible description of the language, focusing on the real patterns of use today. A reference source for the learner and user of Serbian irrespective of level, it sets out the complexities of the language in short, readable sections. Features of this Grammar include: \* use of Cyrillic and Latin script examples throughout\* a cultural section on the language and its dialects\* clear and detailed explanations of simple and complex grammatical concepts\* detailed contents list and index for easy reference. Well-presented and easy to use, Serbian: An Essential Grammar is ideal either for independent study or for students in schools, colleges, universities and adult education.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
