

## Reflections of Inspiration

This second book is a continuation of spiritual thoughts that form my beliefs and experiences about life and my belief in our Heavenly Father. It also includes a story that was told to me by my Father who shares my beliefs, thoughts and ideas. As with my first book it is my hope that it may help anyone who finds themselves in a spiritual crossroad. The path of faith I believe has become obscure and confusing. It is my belief in something greater than myself who is pure and has never ending love for me that, gives me not only the energy, but the will and strength to proceed through the rough and dark times that lie ahead.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
