

My First Book of Sign (Awareness & Caring - Sign Language Series)

My First Book of Sign, a full-color alphabet book, gives the signs for 150 of the words most frequently used by young children. The vocabulary comes from recognized word list sources such as the Dale List of 769 Easy Words. The proportion of word category choices (nouns, modifiers, and verbs) is based on early language acquisition research. Readers do not have to know American Sign Language to enjoy My First Book of Sign; the book provides explanations of how to form each sign. This is a very special alphabet book appropriate for all children who are just beginning to read.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
