

Life Simple

At the heart of all things is simplicity, and often all it takes to be revealed are a few sage words, formed into potent observations. Life Simple is a collection of these insights, thoughtfully noted over the course of a decade. Rekindle your sense of wonder, and delight in the flow of the world that surrounds us. Allow Life Simple to take you on a journey that celebrates laughter, honors sorrow, and provides countless ways to help you find deep meaning in life.

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
