

## Skary Childrin and the Carousel of Sorrow

Adelaide Foss, Maggie Borland, and Beatrice Alfred are known by their classmates at Widowsburys Madame Gertrudes School for Girls as scary children. Unfairly targeted because of their peculiarities Adelaide has an uncanny resemblance to a werewolf, Maggie is abnormally strong, and Beatrice claims to be able to see ghosts the girls spend a good deal of time isolated in the schools inhospitable library facing detention. But when a number of people mysteriously begin to disappear in Widowsbury, the girls work together, along with Steffen Weller, son of the cook at Rudyard School for Boys, to find out who is behind the abductions. Will they be able to save Widowsbury from a sinister 12-year-old curse?

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
