

Snows a No Show On Snow Day! - A Cute Christmas Story for Kids Age 5 & Up

Katie started the day excited that it was Snow Day. Then she looked outside and saw that there was no snow where she was, only in the city where she went to school. But what she thought was going to be boring day stuck at home, might just turn out to be one wonderful Snow Day. And will it snow for Katie before the day is over? A cute Christmas story for kids age 5 and up. A short story of approximately 1,370 words.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
