

So You Want to Write a Book: Simple Guidelines to Creating Your Publishable Book

This book will be especially helpful to anyone in an industry that is in a Publish or Perish situation. If I can write a publishable book., anyone can! Othniel Seiden (Otti) starts out each class he teaches with this statement. So, it is appropriate to begin his book with this very true statement as well! Otti has published over 20 fiction and non-fiction books in his career and will publish 6 more of both in 2008 alone. Using commercial & partner publishers and going down the self-publishing path as well, gives his unique and contemporary insights amazing value to anyone who wants to write a book or who faces a publish or parish situation in their career. Each book is different, each author is different, each path to publishing is different. Find the one that is right for you! Advice To Jumpstart Your Publishing Success Why should you read this book? You picked up this book because of the title. You must want to write a book. Maybe you already have a book started or even finished and are wondering what to do next. This book is for you and for anyone else who wants to write a book, articles, short stories, a family history. They Were Wrong! When I first started writing over twenty-five years ago, I took several writing courses from various authors, English teachers, poets, literary agents and people in the publishing industry. The one thing I remember is that they told me that getting published was extremely difficult. They also said that only one in a hundred thousand would succeed. Well, since then Ive had well over twenty books published, and that was while I was practicing medicine full time and writing as an avocation. Either Im really beating the odds - or they were wrong! Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
