

Societe Generale: the case of Jerome Kerviel: A leadership and business strategy analysis of the second biggest lost in trading history

Jerome Kerviel is a French trader who was convicted in the 2008 Societe Generale trading loss for breach of trust, forgery and unauthorized use of the banks computers, resulting in losses valued at 4.9 billion. His bank, Societe Generale have required a full repayment of the amount and a prison sentence for the trader and obtained it. But After less than 150 days he is released from prison and decide to sue the bank convinced that he has been a scapegoat and that his manager knew exactly what risk he was taking every day and decided to keep silent because his returns were huge. This book highlight the drawbacks of a well known leadership theory, the power of people management for all companies and above all it design a simple and applicable IT system that will effectively win the battle against fraud. This book is for managers of people, this book is for managers of system, and this book is for managers ready to engage into a radical fight against fraud.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
