

Soldier Dog

With his older brother gone to fight in the Great War, and his father prone to sudden rages, 14-year-old Stanley devotes himself to taking care of the family's greyhound and puppies. Until the morning Stanley wakes to find the puppies gone. Determined to find his brother, Stanley runs away to join an increasingly desperate army. Assigned to the experimental War Dog School, Stanley is given a problematic Great Dane named Bones to train. Against all odds, the pair excels, and Stanley is sent to France. But in *Soldier Dog* by Sam Angus, the war in France is larger and more brutal than Stanley ever imagined. How can one young boy survive World War I and find his brother with only a dog to help?

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
