

Index to the 1800 Census of South Carolina

This work is the most accurate and exhaustive listing of early South Carolina residents available in a single volume, bearing reference to some 30,000 heads of households. With only a few exceptions, district designations are used for locations, and a map, drawn expressly for this publication, enables the researcher to pinpoint district boundaries, as well as the boundaries of Orange, Lexington, and Barnwell counties in Orangeburgh District.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
