

Speak Now: 4: Class Audio CDs

Communicate with confidence with Speak Now. With Video and Online Practice. Speak Now is a four-level speaking course which develops students communication skills both in and out of the classroom. Every activity in Speak Now includes a speaking component. Video activities are integrated every four lessons, providing real-life language models for students. Students can also improve their listening, speaking, and pronunciation skills outside class through Online Practice. Featuring new audio, students can practice their pronunciation through a speak and record function.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
