

Raphaels Christmas Present

Raphael is the most unlikely of angels. Small in stature and lacking the voice to sing or even speak without his voice cracking, Raphael often wonders what God had in mind when he was created. He just doesn't seem to fit into any heavenly activity. His only possession is a crude little box, which he faithfully carries wherever he goes. Join Raphael as he discovers how he and his little box have great significance to all of heaven and earth.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
