

Dog Breed Facts for Fun! Book W-Y

Dog Breed Facts for Fun! will help you find out how much you know (or don't know) about different breeds of dogs? Can you name which breed has been called a poor man's racehorse? Which one holds the Guinness World Record for the smallest dog? Or which type of is a water dog that has webbed toes? Dogs are one of the most beloved pets in any typical household. They're loyal, friendly, and simply brilliant companions to have, no matter if you're a large, extended family, or a bachelor enjoying the single life. Dogs are not all created equal however, as each one is of a distinctive breed, and each breed comes with its own unique history, abilities, and challenges (for example, it would be a challenge to make a Chihuahua a guard dog). The book contains questions about many of the W through Y dog breeds (such as Weimaraners, Welsh Springer Spaniels, Welsh Corgis, Welsh Terriers, West Highland White Terriers, Whippets, and Yorkshire Terriers), which is sure to entertain any dog lover, from child to adult. Even better, the quiz is enhanced by pictures of the dogs and the associated people and places. This adds a new level of education for kids as they learn subjects such as history and geography from simple dog breed facts! The game played via the book is very simple. Each question is multiple choice and has three possible answers, and if a player gets the answer wrong, they get a second chance. On certain questions, hints and comments are provided to help the player along. With every correct answer, the player moves on to the next question.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home,

20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
