

Steal This Plot: A Writers Guide to Story Structure and Plagiarism

This book is not about cemeteries. Nor is it a mystery-suspense story. It is about writing—the craft of writing and telling a tale. It is about how to use other people's stories, and what we are allowed to do with them. The plot of any story is the key. The plot is the story within the story that propels the action and develops the tale. In Hamlet, for instance, the story deals with who will be the rightful king of Denmark, but the plot is concerned with revenge and ambition. The plot is the nucleus of the action, and it is here that the writer must look to form his efforts. In Part One, the authors deal in depth with the structuring and spicing of the story. In Part Two, using classic and modern examples they outline 13 common plot movers: Vengeance Catastrophe Love and Hate The Chase Grief and Loss Rebellion Betrayal Persecution Self-Sacrifice Survival Rivalry Discovery (Quest) Ambition showing you how we weave it all together in a tapestry of words rich and satisfying to the reader. Worried you'll go too far in your plot thievery? A thorough look at plagiarism and copyright is also included.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
