

## Pupunzel (Step into Reading)

Cinderella and Sleeping Beauty got their fractured-fairy-tale due in Dogerella and Sleeping Bootsie. Which princess is next to be puppy-fied? Rapunzel, of course! In this Step 3 send-up, a cocker spaniel named Pupunzel grows long golden fur when a witch takes her from her family and locks her in a tall tower. Will Pupunzel's mama and brothers and sisters ever be able to rescue her from the tower? Or does Pupunzel have some tricks up her fur? Step 3 Readers feature engaging characters in easy-to-follow plots about popular topics. For children who are ready to read on their own.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
