

## Stick Dog Dreams of Ice Cream

The Stick Dog series continues in author-illustrator Tom Watson's hilarious Stick Dog Dreams of Ice Cream. In the follow-up to Stick Dog, Stick Dog Wants a Hot Dog, and Stick Dog Chases a Pizza, Stick Dog and his pals are back, but this time the temperature is rising and they're all feeling the heat. They need cold, cold ice cream on this hot, hot day. It will take all of Stick Dog's smarts to guide his friends to a scrumptious ice cream feast. They'll battle a water-attacking machine, discover rainbow puddles, and chase the strangest, loudest truck they've ever seen. But there's a looming threat to their mission: Stick Dog gets spotted by a human. And the police are on his tail. If he's captured, Stick Dog may never see his friends again. If he escapes, it's ice cream for everyone. Perfect for fans of Big Nate, Diary of a Wimpy Kid, and the previous Stick Dog books.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
