

Story Structure Architect

With Story Structure Architect, writers will discover how to use the classical structures found in all literature since Greek mythology to create unique and successful works. Presented in a fun, 2-color illustrated design, this book: Walks readers through each step of the structuring process - from identifying characters to building conflict and weaving in unique plotting structures. Offers thousands of possible story combinations with its browsable and interactive index format. Features 56 timeless dramatic situations, plus a blank situation template writers can use as they structure their own work. These techniques apply to every genre, including multicultural storytelling - making this book a must-have resource for anyone who writes short fiction, novels, scripts, plays or even video and role playing games.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
