

## The Last Ghost: A Belladonna Johnson Adventure (Belladonna Johnson Mystery)

In Belladonna Johnson's world, talking to ghosts seems perfectly normal. She even lives with two - her recently deceased parents, who are still very much involved with their daughter's life. But then the ghosts start disappearing. Before her father slips away, he warns her that the doors are closing, but Belladonna doesn't understand what he means. She realises, though, that evil forces are at work, and if she can't stop them, she might lose everything. With her friend Steve, she sets off on a trip that will test them to their limits, as they discover the dark secrets that lurk on the Other Side ...

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
