

Beginning German (Classic Reprint)

Excerpt from Beginning German This book does not offer any strikingly novel method. The authors do not even claim that it is easy. They have, however, attempted to reduce the amount of theoretical grammar to those essentials which are necessary to the progress of the student. In the selection of vocabulary a first book should contain the more common words and phrases of everyday life, but in addition to this it should also offer at least an introduction to the more choice language of literature. This double aim has been the guiding principle in the selection of illustrative examples and reading material. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
