

Chinese for Primary School Students Teachers Book I

Chinese for Primary School Students is a set of Chinese language textbooks catering to English-speaking students. In the context of Chinese culture, the set follows the cognitive patterns of children when learning a foreign language by structuring the courses into studying pinyin, speaking, singing childrens songs, writing Chinese characters and reading short stories so as to cultivate their abilities of listening, speaking, reading and writing in a progressive way. This series includes 12 stages. Each stage is composed of 1 Textbook, 2 Exercise Books. The whole series is accompanied with 2 Teachers Books for the convenience of teachers.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
