

Long Was the Winter Road They Travelled: A Tale of the Nativity

And many were the Beasts who knew/What all the world would know.... In this wonderful new telling of the Nativity story, all creatures great and small from the majestic camels of the desert to the meekest dormouse experience the wonder and joy of the coming of Baby Jesus. Wordsmith J. Patrick Lewis's lilting verse is deceptively simple while Drew Bairley's stunning paintings make each turn of the page a sheer delight. Together, author and artist have created a special Christmas offering to be loved and shared by readers of all ages for generations to come.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
