

Templates: Models of Style and Usage for Writers

Beginning with the simple two-word sentence and working up to multi-clause possibilities, *Templates* shows students how to manipulate syntactic patterns for maximum rhetorical effect. Although it teaches grammar, it does not do so with the goal of correcting mistakes. Rather, it encourages writers to make full use of the complexity and flexibility of English sentence structure. Combining an emphasis on the writing process with both an awareness of audience and a raised consciousness about English grammar, *Templates* takes a unique approach to sentence-level writing and revision. Exercises throughout the book help students to move from simpler sentence structures to more complex multi-clause constructions. Key features: Emphasizes the rhetorical possibilities of sentence structure Grammatical analysis is demonstrated in terms of syntactic templates Shows how the writer can play to audience awareness of these templates Promotes sentence-level editing as the fine-tuning stage of the writing process Usage issues are presented as choices based on level of formality, rather than as prescriptive rules Includes a glossary of grammatical terms

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
