

The Unspoken

In five years time, your greatest fear will consume you. It will rob you of your last breath. Five years ago six children who lived with their families in Jacob Crawleys Divine Path religious cult escaped by burning the compound to the ground. They are reunited at the funeral of Jacobs son, Harold. Harold died of drowning -- his worst fear -- even though his body was found miles from any water. And it seems that each of the teens is marked for murder -- as Crawley had predicted years earlier. Can any of these teens save themselves? Horror author Thomas Fahy now brings his unsettling talent to teen fiction with *The Unspoken*.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
