

Xolani And The Magic Shanty

In this Adult/Childrens book, Ed Rychkun tells the story of Xolani, an angry 12 year old Zulu boy living in Shanty Town in South Africa. Life is not good here and he has taken up with a band of ruffians to get back at the wealthy and the Whites whom they have learned to hate. One day Xolani finds a Magic Shanty and meets an unusual Nharo Medicine Man. Xolani finds he is not as bad as he thought and some of his Crystal Child characteristics are making life a conflict. Suddenly life begins to change for him and the people around him as he begins to blossom, and he learns how he can make his own Magic Shanty. Follow his life changing experience in the poverty stricken Shanty Town as he changes his and everyone else's life. Shanty Town will never be the same. Live with Xolani as he unfolds his new destiny

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
