

## Textstilistik des Deutschen (de Gruyter Studienbuch) (German Edition)

This introductory work offers a fundamental, instructional, and easy-to-read outline of all the aspects of stylistics from, among others, a text-linguistic perspective. The work covers, for example, the functional types of style, stylistic competence, style and context, the communicative effects of stylistic means, and stylistic coherence. The work ties in with the most current research and extensively discusses results from discourse analysis and functional grammar. Key Features: Comprehensive introduction to German stylistics Special consideration of the function of speech and writing styles in certain communicative situations Suitable as basic reading for course work and for self-study

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
