

Thank You for Your Service: A Caughey Family Tribute

This book has grown out of a query from my grandson, Mark T. Holden, who was asked to bring a veteran to his elementary school to honor Veterans Day in November 2012. He asked his mother if he had a veteran that he could bring to school. His mother explained that there were many veterans on both sides of his family. His grandfather, Robert Poteete lived in Georgia, too far away to come to school in Rhode Island. His great grandfather, Edward L. Caughey, who had died, served in the Navy. Mark was very disappointed and felt left out. I asked if he could take photos of his great grandfather or grandfather or some memento such as a medal from the Spanish American War to school and would that count? The answer was: No. That answer started me on this project of researching and writing about the veterans in the Caughey family. This project also led me to ask my Caughey cousins to write about their fathers, daughters and sons who have served as sailors and soldiers over the years. What began as my project to help my grandson has become our project for the edification of all our grandchildren and perhaps, someday, their grandchildren.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
