This book is GROSS. This book is CREEPY. This book has totally cool MONSTERS. Read it with ALL the lights ON! The reason most people are bad is because they do not try to be good. L. Frank Baum, The Emerald City of Oz Rollo Crane absolutely, positively, does NOT try to be good. Hes so mean, so rotten, that this Halloween night he tries to steal gold from a sleeping demon! Rollo rifled through his pockets Searching for gold, but the demon woke up, Or so the story is told. Looked Rollo in the eye, grabbed him by the hand, and said, I hear tell, Mr. Crane, Youre a bad, bad man. That demons name is I Like It Like That, and he has a brother named Some Like It Hot. What happens when they get a hold of Rollo Crane is an epic work of childrens literature that is woven from the fabric of classic American Folklore.

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
