

# The Battle of Top Hat Wood: BOOK ONE: THE ADVENTURES OF DR. GREENSTONE AND JERRYTHESPIDER TRILOGY

An Educational, Inspirational Tale About Spiders That's Fun to Read. Kirkus Reviews Jerrythespider is a smart-aleck jumping spider that reluctantly joins Alma's quest to vanquish the evil Sitharon. Hanging in her web above the entrance to the old Presbyterian Church in a small California town, Alma has a nightmare about the horrible slaughter of innocent spiders by a giant flying beast, a Sitharon that lives in the ancient English woodland called Top Hat Wood. Months later, her children are born. As they balloon away to their new homes, Alma senses the presence of evil still lurking in the old woodland. She fears for the lives of her children and feels powerless against the evil Sitharon. She quietly conceives a plan to defeat the Sitharon. Confined to her web, Alma picks Jerrythespider to be her eyes and ears in Top Hat Wood. She creates a possible future where Jerrythespider meets Dr. Greenstone, who she needs to first transport Jerrythespider to England and later to be a valuable ally. But, Dr. Greenstone is preoccupied with his vacation trip to the Sutton Hoo Farmlands. Plus, he is preparing for his expert testimony at the upcoming Moroccan-Three Murder Trial. He is oblivious to the struggle between good and evil, which is literally taking place all around him. Nonetheless, Alma plans to have Jerrythespider team up with Dr. Greenstone. Together Alma, Jerry, and Dr. Greenstone will continue to seek and destroy evil wherever it shows its face.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
