

The Big Question (Hank the Cowdog Book 60)

Its the day before Christmas, and Loper and Sally May have left Slim to manage the ranch while they go off to visit relatives for the holidays. But, just when it begins to look like another boring bachelor Christmas with Slim, a storm blows in and the electric fence separating a herd of steers from the highway shorts out. Now its up to Slim, Viola and the ranchs Security Division to jump into action! Things take a surprising twist when Slim comes down with a burning fever in the middle of the operation, but nobody, and especially not Miss Viola, could have been prepared for the even bigger surprise that transpires on the way to the hospital!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
